

Round Fittings TAPAC

DUCTS+GRILLES+DIFFUSERS+FILTERS+FITTINGS+LOUVERS+DAMPERS

Galvanized Sheet Metal Round Cover designed to close and seal the end of a circular duct or unused duct opening. Its round design provides a clean, secure closure while helping prevent unwanted air leakage and maintaining the integrity of the air distribution system. It is suitable for use in ductwork installations where a reliable end cover is required for a neat and functional finish.

1

Finishes

Galvanized (G60 Minimum Galvanization)

"STAINLESS STEEL OPTION CAL.26"

*Option with double-wall.

2

Dimensions

It is manufactured from 4 up to 60 inches in diameter
